

Anne Holcomb, LEED GA

Senior Project Manager
San Francisco

Professional Experience

Anne has over 15 years experience in project management on commercial projects in the corporate office and light industrial sectors. Anne has worked with clients in the Bay Area on projects from single tenant office occupiers to multi-floor tenants. As a project manager Anne has expertise in all aspects of a project identifying programmatic needs, building teams, guiding the design process, and overseeing construction. Her experience includes working with tech, financial and new energy companies. Anne has also worked as a landlord representative for clients in the San Francisco market.
