

Michael Anderson

**Vice President
Atlanta**

Professional Experience

Michael Anderson is dedicated to managing portfolio services for clients, specifically tenant representation, site selection and corporate real estate solutions. His background in finance and economics provide his clients with the foresight needed to plan for growth, cost management and employee retention. Michael incorporates the integration of HR, IT, Finance and Real Estate to provide an efficient workplace design, through colocation strategies, logistics and other business drivers to increase revenue, promote healthy and productive employees while maintaining focus on cost management. Most importantly, Michael understands that there is no such thing as a “new normal.” The way companies do business, who they do it with and how they manage the way their employees provide those services is ever evolving. Michael will help you look forward, incorporating flexibility and alternative solutions on the front end so that shifts in business culture can be accommodated with as little disruption as possible.
