

Chris Marchbanks

Managing Principal
Austin, TX

Professional Experience

Chris Marchbanks has been the managing principal of the Austin office since 1996. He has over 32 years of experience in the commercial real estate industry, specializing in corporate tenant representation.

Chris helps his clients use best practices in analyzing real estate options to reduce risks, contain costs and maximize flexibility. He has the skills needed to help his clients develop a strategic plan to achieve their target objectives. He focuses on aligning the real estate process with each client's business goals. Chris has interfaced with a wide collection of clients and industries throughout the United States and has completed hundreds of lease transactions on behalf of his clients. Chris has attained CoreNet Global's Master of Corporate Real Estate Designation.
