

Arjun Kumar, MRICS, SIOR

Managing Principal
Mumbai, India

Professional Experience

Managing Principal Arjun Kumar, SIOR, MRICS brings a vast corpus of knowledge to Cresa's India team. With of over 21 years in the commercial real estate industry, Arjun focuses on occupier representation and assisting clients in creating effective real estate strategies that support their companies' short- and long-term objectives. As a seasoned CRE professional, his skills have helped him foster new business relationships and contribute to the continued growth of the firm's Indian team. His understanding of city level dynamics has helped him successfully complete various transactions in almost most major cities in the country. He is passionate about creating meaningful strategies that positively impact his clients' corporate real estate portfolios.

Prior to joining Cresa, Arjun served as the director of API Global, a U.S. based CRE firm, where he directed the company's occupier representation service line on a national basis for eight years.
