

Aaron B. Berkey, LEED AP

Principal

Professional Experience

Aaron's advisory practice focuses on representing global portfolio and technology clients. His experience includes the management and delivery of integrated services, including lease administration, site selection and incentives, lease audit and forensics, as well as build-to-suits, sale leaseback and capital markets transactions.

Affiliations

Aaron serves on the Board of Riverbend Capital, an early stage investment group based in Great Falls, Virginia, that supports the entrepreneurial ecosystem in the Mid-Atlantic Region.

Education

Aaron received his Bachelor of Science degree from Boston University and has completed post-graduate coursework in commercial real estate finance and investment analysis.
