

Ross T. Brannigan

Advisor

Professional Experience

Ross provides comprehensive real estate services for occupiers across several industries within the Washington, DC region. With expertise in services such as lease analysis, strategic planning, and negotiations, he evaluates current market conditions and gives occupiers the necessary tools to make informed, cost-effective decisions. Ross oversees the entire real estate transaction process, providing clients the best opportunities to meet both their short and long-term business goal.

Education

Ross received his Bachelor of Arts degree in Economics from the University of Maryland.
