

Tim E. Hedke

Senior Vice President

Professional Experience

With an accomplished record and seasoned career as a financial professional directing both high-growth enterprises and established businesses, Tim specializes in servicing the real estate needs of occupiers within a variety of industries. He provides a unique, valuable perspective to his clients' operational and business needs: a former CFO, Tim's experience in financial, facilities, and board-level and executive committee practices, distinguishes him as a trusted real estate consultant.

Clients

- Association of Old Crows
- Surescripts
- ORock Technologies
- Digicon

Education

Tim performed his undergraduate studies at the University of Central Florida in Orlando, where he received a BA in Accounting and subsequently received his NMA as a graduate of the Key Executive Program at Rollins College in Winter Park, Florida.
