

Matthew Babyak

**Financial Analyst, Project Management
Boston**

Professional Experience

As a Financial Analyst, Matthew supports multiple project management teams through analyses and financial modeling to aid the successful management of clients' portfolio expansions. He is certified in Excel and ARGUS commercial real estate software, which he leverages across a variety of projects and situations. Matthew's area of focus and expertise allows him and his team to successfully manage clients' portfolios with maximized project efficiency and portfolio optimization.

Education

Matthew received his Bachelor of Business Administration in Finance from the Isenberg School of Management at the University of Massachusetts Amherst in 2021. He has also successfully completed the Isenberg Real Estate Certificate Program.

Personal Interests

Outside of work, Matthew enjoys spending time with family and friends as well as CrossFit training and being outdoors.
