

## Carolina Bellani

### Data Visualization Specialist Boston

#### Professional Experience

As a Data Visualization Specialist, Carolina leverages her expertise in data analysis and visualization to drive strategic business decisions. Carolina collaborates with internal stakeholders and clients to showcase insightful findings through visual dashboards and interactive and static maps. Before joining Cresa, Carolina gained experience extracting, transforming, and exploring data using data analysis and programming tools at a medical manufacturing company.

#### Education

Carolina received a Master of Business Analytics from Boston University in 2024. In 2021, she graduated from Northeastern University with a Bachelor of Science in Economics and Business Administration and a concentration in Marketing.

#### Personal Interests

Carolina enjoys skiing, running, and completing jigsaw puzzles in the winter. In the summer, she spends her free time traveling and taking long walks to explore new places.
