

Abby Denton

**Senior Advisor, Project Management
Boston**

Professional Experience

Abby is responsible for planning and executing tenant improvement projects for Cresa Boston's local and international clients. She works in multiple aspects of the field, including space planning, due diligence, scheduling, budgeting, financial tracking, project development, vendor selection, and move coordination. Abby's background in construction management has given her valuable experience in successfully managing commercial real estate projects and building strong relationships with her clients, vendors, and colleagues.

Education

Abby attended Saint Michael's College where she received her Bachelor of Arts in Sociology.

Personal Interests

Abby enjoys spending time with her friends and family –she also enjoys running, as she has run two Boston Marathons. Additionally, Abby is a huge 'foodie' and loves to travel.
