

Mike Farrell

Senior Vice President, Account Management Boston

Professional Experience

Mike brings to Cresa more than 20 years of experience in commercial leasing, property management and client relationships. Mike provides account management and tenant representation services to Fresenius Kidney Care in support of its prominent national real estate portfolio.

Education

Mike earned a Bachelor of Science from Springfield College in 1993. Additionally, he earned a Certificate of Real Estate Finance from Boston University in 2000.

Personal Interests

Mike is an avid music and sports fan (go Celtics!) and is an active youth sports coach in his town. He enjoys spending time with his family on Lake Ossipee in New Hampshire every summer.
