

Lily Glynn

**Advisor, Consulting
Boston**

Professional Experience

Lily is a skilled investment analyst with a proven track record in the real estate industry. She is experienced in underwriting industrial and office buildings in both domestic and international markets using Argus DCF, Argus Enterprise, and Excel. At Cresa, Lily provides financial analytic services to clients, in addition to assisting in our business intelligence efforts.

Education

Lily received a Bachelor of Business Administration Economics from Sellinger School of Business at Loyola University Maryland in 2018.

Personal Interests

When Lily is not golfing, you can find her taking spin classes or doing crossword puzzles.
