

## Paige Guerreri

**Senior Advisor, Project Management  
Boston**

### Professional Experience

As a Senior Advisor on Cresa's Project Management team, Paige guides clients through every stage of their real estate projects — from planning and space selection to design, construction, and move-in. With a background in interior design, she brings a unique blend of creative insight and technical expertise to ensure efficient execution and strong client relationships.

### Education

Paige received a Bachelor of Arts & Science in Interior Design from Wentworth Institute of Technology in 2013.

### Affiliations

Paige is a member of the CoreNet New England Chapter.

### Personal Interests

Outside of work, Paige enjoys spending time with friends and family, discovering new restaurants, taking group fitness classes, and relaxing at the beach during the summer months.
