

## Timothy Kelleher

**Senior Vice President**  
**Boston**

### Professional Experience

Tim brings nearly four decades of broad-based experience managing international and domestic commercial real estate projects and services. At Cresa, he provides consulting for corporate clients, including strategic planning, design development and construction, project management, facility management and transaction management.

### Education

Tim graduated from Northeastern University in 1971 with a Bachelor of Science in Civil Engineering. At Northeastern, he interned with a construction management firm, working with their project management and construction engineering teams.

### Personal Interests

Timothy enjoys playing golf, participating in outdoor activities with family and friends and listening to music.
