

Jared Kinch

**Senior Advisor
Boston**

Professional Experience

Jared is responsible for developing strategies that drive value and performance through data analysis and business intelligence. As a Senior Advisor, he works hand-in-hand with our clients to develop and maintain custom analytic dashboards that allows our team to continuously track portfolio performance and highlight strategic opportunities. Jared has a strong background in strategic real estate decision support through business analytics.

Education

Jared earned a bachelor's degree in Marketing with a minor in Management and Law from Bentley University in 2011.

Personal Interests

Jared enjoys spending time outdoors with friends, either on the golf course or near the grill.
