

Greg Lewis

Managing Principal Boston

Professional Experience

As Managing Principal, Greg develops deep partnerships with national and local life sciences clients, providing strategic planning, workplace strategy, operational and efficiency planning, and global portfolio review and analysis. His multi-disciplined experience in real estate planning for pharmaceutical, biotechnology, and startup companies has afforded him a keen understanding of sustainable working environments and facilities operations within this specialized sector.

Education

Greg received a Bachelor of Arts in Business Management from American Intercontinental University in 2013.

Affiliations

Greg is a member of MassBio and the International Facility Management Association (IFMA). He also serves on the Anna Jaques Hospital Patient Advocacy Board.

Personal Interests

Greg enjoys spending time outside with his family, skiing, hiking, boating and simply tossing a ball in the backyard. Living in a coastal town, he often enjoys walks on the beach and early morning yoga and meditation.
