

## Mitch Perez

**Vice President, Life Sciences  
Boston**

### Professional Experience

Mitch partners with life science organizations in Greater Boston to develop holistic, tailored real estate solutions from advisory and transaction services to global portfolio management. With several years of experience in the industry, Mitch understands the opportunities, challenges, and nuances of the Boston market and provides strategic insights to maximize value for his clients. Known for top-quality service, Mitch brings a cross-disciplinary, client-centric approach to Cresa's life science team.

### Education

Mitch received a Bachelor of Arts in Economics from Union College in 2015.

### Affiliations

Mitch has been a member of the Golf Classic Committee with Big Brothers Big Sisters of Massachusetts Bay since 2016. Additionally, he sits on the Life Science Cares Council of Champions.

### Personal Interests

Outside of work, Mitch enjoys playing basketball, softball, and golf and spending time with his family and friends.
