Boston**

Professional Experience

Carter is a member of Cresa Boston's advisory team. With a focus on life science occupiers, he partners with local, national, and global clients to develop forward-thinking real estate decisions and solutions. Carter's transaction management expertise includes new business development, market research, strategic planning, financial analysis, and lease negotiations.

Education

Carter received a Bachelor of Business Administration degree with a concentration in Finance from the University of Kansas in 2019.

Personal Interests

Carter loves to spend as much time as possible being outside, whether that be taking his dog to Plum Island and playing fetch, or playing golf.
