

## Claudia Villanueva

**Advisor, Project Management  
Boston**

### Professional Experience

As Project Manager at Cresa, Claudia is responsible for overseeing the planning, design, construction, and closeout of projects in alignment with procurement, schedule, and budget goals. She synthesizes information from the project team, client, and vendors to develop custom solutions for each project. Previously, Claudia worked on the construction management team for mission critical data and education projects, supporting the design, construction, and closeout phases.

### Education

Claudia earned a Bachelor of Science in Industrial Engineering from the University of Texas at Arlington in 2017.

### Personal Interests

In her free time, Claudia enjoys spending time with friends, family and her dog, Bruno. She enjoys attending sporting events, going on walks with Bruno, and watching true crime documentaries.
