

Dan Lannon

Executive Vice President

Professional Experience

In 2025 Dan transitioned from a major Canadian brokerage firm, where Dan was a top producer in Canada and an Everest Club Member consistently performing within the top 10% of Professionals Worldwide. Dan brings expertise to his clients in all areas of commercial office leasing: lease, sublease, and renewal negotiations; new building development; lease consolidation; and strategic thinking. With 28 years of proven success, Dan has a wealth of experience in commercial leasing and continually exceeds his clients' real estate expectations. Dan's success can be attributed to his determination and ability to adapt to today's ever-changing economic environment. In 2022 Dan was the #1 office leasing broker in Alberta and the #2 office leasing broker in Canada.

Assignments include but are not limited to the execution of real estate strategies for companies as large as one million square feet. This includes not only head office but also coordinating the strategies for corporate real estate portfolios in markets across Canada, the United States, and Europe.

Dan is a respected member of the commercial real estate community and is widely recognized by his peers, the brokerage community, and landlords for his ability to offer creative solutions to maneuver and overcome differences. Dan acts as mentor for new members of the Cresa team and stresses the importance of fostering an environment where others are continuously learning and growing in their respective careers.

As a part of the community Dan and his family contribute time, talent, and treasure to the United Way of Calgary and Area. Major Donors since 2015 and Dan being a past co-chair of the major donor cabinet. Also an active participant of the Enbridge Tour Alberta for Cancer and board member at Clearwater Academy.
