

Nicole Bennett

Senior Advisor

Professional Experience

Since starting her career in commercial real estate in 2014, Nicole has acquired valuable experience in both landlord and tenant representation. The experience gained on both sides of a transaction has given her valuable insight to better represent her clients. As a Senior Advisor, her primary focuses are on transaction management, strategic planning, lease/sublease negotiations, and business development. Nicole takes a personalized approach to each lease requirement to understand her client's needs and provide creative solutions that achieve optimal results. She is committed to building and maintaining long standing relationships while putting her clients first to achieve the best outcome for their business goals.

Affiliations

Nicole is actively involved in associations such as CREW (Commercial Real Estate Women) and NAIOP (Commercial Real Estate Development Association) and is a Committee Member for the NAIOP Developing Leaders. She is currently a licensed Associate with the Real Estate Council of Alberta (RECA).

Education

Nicole received an Associate Degree in Business Administration and Management from Santa Barbara City College.
