Professional Experience

Lee holds a B.S. in Finance from Northeastern Illinois and brings a strong background in commercial real estate, working for Colliers International and Retail Properties of America. In these past roles, he was involved in property management, portfolio analytics and corporate finance. His passion for real estate and enthusiasm for personal improvement are what drive him to expand his knowledge base across all aspects of the industry.

Lee's work experience, meticulous attention to detail, process-oriented mindset, and genuine desire to serve others allow him to go above and beyond when working with his clients.

When not working, Lee enjoys trying new restaurants in Chicago, working out and reading.

Education

- Northeastern Illinois University - Bachelor's of Science in Finance
