

Jacob Audia

Finance and Research Analyst Chicago

Professional Experience

Jacob Audia joins Cresa as a Finance and Research Analyst, combining finance expertise with AI development capabilities to enhance the team's analytical approach. A graduate of Arizona State University's W.P. Carey School of Business with a degree in Finance, Jacob has developed strong quantitative analysis skills through his work with equity markets and systematic trading approaches.

His programming and AI development background enables him to implement AI-driven solutions across the firm while providing data-driven insights for client research and strategic decision-making.

Education

- Arizona State University, W.P. Carey School of Business – Bachelor of Science in Finance
