

Jessica Buggy

Director, Project Management Chicago

Professional Experience

Jessica Buggy is a Director of Project Management with over four years of experience in successfully managing complex projects across multiple industries. Her expertise in strategic planning, team leadership, and stakeholder management enables her to consistently deliver projects on time, within budget, and to precise standards. Prior to joining Cresa, Jessica worked at JLL, where she specialized in overseeing interior office and laboratory buildouts throughout the Chicago area. With a background in Architecture and Interior Design, she leverages her architectural expertise to drive client success. Her meticulous attention to detail, exceptional organizational skills, and leadership abilities have been instrumental in delivering outstanding results for her clients.
