

Wendy Doumas

Chief Operating Officer
Headquarters

Professional Experience

As Chief Operating Officer, Wendy Doumas is responsible for the oversight and management of all operational aspects at Cresa including Board compliance, legal, human resources, benefits administration, training and development, marketing, talent management, and international operations. She is a highly effective and dynamic executive with extensive experience leading enterprise-wide business initiatives that have significantly improved effectiveness, productivity, and growth metrics. Wendy works within the leadership team to introduce programs and policies that encourage positive organizational change.

Prior to joining Cresa, Wendy was the Chief Administrative Officer for one of the largest commercial real estate providers in the world. She was responsible for handling an operation budget of \$1.4B and guiding 4,200 employees in the United States, Canada, Mexico, and South America. Her duties included financial management, critical HR functions, IT, legal, procurement, and marketing.
