

Val Amorosana

Project Manager – Project Management
Dallas

Professional Experience

Val Amorosana is a project manager at Cresa specializing in tenant project and development services with a focus on national portfolio work for industrial occupiers. Leveraging 5 years of experience as a Tenant Improvement (TI) General Contractor and nearly a decade overall in the industry, Val brings extensive pre-construction expertise, particularly in Class A/AA interiors, healthcare, and capital improvements. Val is a dedicated professional who considers it non-negotiable to deliver projects on time, within budget, and to the highest quality standards.

Prior to Cresa, Val was at StructureTone Southwest supporting large footprint office clients such as Varispace and then served as the Pre-Construction Manager for HRNCIR Construction. At HRNCIR, he established the pre-construction department and played a critical role in increasing the company's revenue by 50% during his tenure.

Most recently at Cresa, Val services national industrial occupiers such as Keurig – Dr. Pepper and Rehrig Pacific Co as well local class A/AA office occupiers such as America's Credit Union.
