

## Cassie Watts

**Senior Vice President**  
**Dallas/Fort Worth**

### Professional Experience

Cassie joined Cresa's Dallas office in 2018. Since then she has made a tremendous impact on the firm. As an emerging leader, team player and a collaborator, she diligently works to achieve collective business goals while also embracing and enhancing the culture of the firm.

Cassie is a process driven advisor, who leverages her extensive market knowledge and expertise, on behalf with local, regional, and national clients across various industries including financial services, healthcare and technology.

Through her genuine approach and constant communications, she strives to also have fun with her clients while mitigating any complexities that may occur during the process.

### Affiliations

Cassie has been an active member of CREW (Commercial Real Estate Women) for five years and is also active with Ladies in CRE, NTCAR & TREC.

### Education

Cassie attended Tarleton State University and the Art Institute of Houston focusing on Consumer Sciences and Interior Design.
