

## Karen Loss

Managing Principal, Lease Administration  
Dallas

### Professional Experience

With over 25 years in commercial real estate, Karen Loss brings together a tenured and experienced lease administration team at Cresa. She works closely with advisory and lease administration teams to deliver data integrity, savings and client satisfaction. Karen has a comprehensive understanding of lease administration from both the landlord and occupier perspective for office, retail and industrial portfolios. Throughout her career, Karen has identified millions of savings for clients from single lease abstractions to the integration of complex portfolios.

### Affiliations

Karen has over 25 years of industry experience in lease administration. She was a founding Principal of CASE, a woman-owned commercial lease administration services business, and also led and grew the Staubach Company's lease administration division to a team of over sixty, serving more than 60 clients. Karen also brought together and led a high-performing lease administration team at esrp before its merger with Cresa.

### Education

Karen holds a bachelor's degree in Psychology and Sociology from Rhodes College in Memphis, Tennessee.

### Expertise

- Lease Audit
- Lease Administration
