

Cassandra Soto

Advisor
Dallas

Professional Experience

Cassandra brings nine years of commercial real estate experience, a collaborative nature, determined outlook, and the ability to problem-solve. Having experience with leasing and renewals, Cassandra prides herself on helping clients make informed decisions that align with their business objectives. Her expertise includes office, flex, and warehouse space focusing on healthcare, medical, and life science companies. Cassandra's background includes a variety of industries including pharmaceuticals, coworking, and recruitment, giving her a unique insight to create value and highly customized solutions for her clients.

Affiliations

Cassandra is an active member of several industry organizations including Commercial Real Estate Women (CREW) as a Chair & an At-Large Trustee for the CREW in the Community Board. She is an alumna of CRE Analyst FastTrack program and served on the CoreNet Golf Tournament committee. Cassandra is also a member of BioNTX, an organization focused on furthering the bioscience and healthcare innovation industries in North Texas.

Education

Cassandra holds a bachelor's degree in Interdisciplinary Studies with focus areas in Public Health, Chemistry, and Psychology from the University of Arizona.
