

## Austin Fahy

Senior Advisor  
Dallas

### Professional Experience

Austin Fahy specializes in partnering with Third-Party Logistics (3PL) companies across the country, providing tenant advisory services and creating supply chain solutions around their real estate needs. Serving as a trusted occupier advocate, Austin's industry knowledge and national network, enable him to fully integrate himself into your organization and structure creative strategies to achieve occupier's financial and strategic goals. Austin has executed site selection projects nationally, while driving profitability and workforce productivity for his clients, using powerful technology and analytics to drive informed decision-making.

### Education

Austin holds a bachelor's degree in Marketing & Business/Managerial Economics from the University of Arkansas.
