

Ben Gibbs

Vice President Dallas

Professional Experience

Ben Gibbs provides comprehensive real estate services for industrial occupiers across North America. He is committed to delivering strategic real estate solutions to complement and align with his clients' organizational goals, by combining labor and data analytics to drive workforce decision-making and optimal locations for operations. Through dedicated advisory services, Ben specializes in business development, market research, transaction management, financial analysis, strategic planning and site selection.

Clients

- Interior Logic Group a Blackstone portfolio company
- Puma North America, Inc.
- Triton Stone
- KidStrong
- RYSE Supplements
- Scentsy, Inc.

Affiliations

Ben is passionate about physical health, mental health, fitness and performance. He is a co-host on One Shot Podcast, where lifestyle and wellness stories are shared with his fellow colleagues Darren Woodson and Tyler Clutts.

Education

Ben is a graduate of Abilene Christian University.
