I own multiple businesses in the DFW area and California. Tor is hands down one of the top agents in the entire DFW area. We have been using him as our real estate broker for all of our new facilities since 2015. He is very professional and prompt. He emails, calls and stays on top of all of our needs throughout the entire process of our projects. Tor will always be my real estate agent. I even recommend him to all of my colleagues, clients and friends who have any commercial real estate needs.
