

Gillian Baikie

Director,

Workspace Planning, Design & Support

Professional Experience

Gillian Baikie is an interior designer and project manager who excels in creative, fast-paced environments. She leads local, national and global teams, assuming responsibility for assembling and managing teams that provide Occupancy Planning, Space Programming and Move Management. Gillian's strong organizational skills and attention to detail leave her well-suited to deliver your projects on schedule and within budget. She is process-driven and consistently seeks ways to enhance your workspace, offering new solutions to improve your team's productivity and satisfaction with their work environment.
