

Hallie Simpson

Workplace Designer
Denver

Professional Experience

Hallie Simpson brings her experience supporting architectural and design projects to Cresa's Workplace Solutions Team. Hallie has an in-depth background in the fundamentals of design as well as a diverse portfolio spanning a range of projects from mixed use facilities, office space, retail, high rise multi-family, government, and civic buildings. Her diverse experience and dedication to her projects enable Hallie to find the best solution for her client's workspace requirements and strategy.
