

Christina Clark

**Managing Principal,
Global Portfolio Solutions**

Professional Experience

With nearly 20 years of experience in the commercial real estate industry, Christina started her career in the architecture and design field. Currently, she exclusively represents occupiers on their global real estate portfolios. As a strategic advisor to her clients, Christina is committed to aligning their business initiatives and culture with effective real estate solutions to maximize economic and functional optionality. Christina is Cresa's Technology Center of Excellence Leader. She specializes in helping technology companies mature by creating consistency and implementing emerging best practices to support their rapid growth.
