

# Theresa Hopkins-Johnson

## Global Finance Director, Global Portfolio Solutions

### Professional Experience

Theresa brings over 20 years of financial and real estate experience to the Global Portfolio Solutions group. She plays a lead role in ensuring the financial integrity of Cresa's portfolio accounts, specializing in process improvement, reporting consistency and MSA compliance.

Prior to joining Cresa, Hopkins-Johnson acted in various finance leadership roles for CBRE, Cushman & Wakefield and, most recently, Newmark Knight Frank. Throughout her career she has served large, portfolio clients such as UnitedHealth Group, American Express, Cisco, Siemens, Dow Chemical and others.

### Education

B.S., City & Regional Planning, Minor in Sustainable Environments, California Polytechnic State University, San Luis Obispo
