

Mike Linn

Vice President Downtown Los Angeles

Professional Experience

Mike specializes in representing tenants' interests in optimizing their real estate portfolio, identifying office space, and negotiating leases. His background in corporate supply chain and facilities management at Electronic Arts and Pacific Gas & Electric, followed by 5 years in flexible workspace solutions at Dialpad and WeWork, provides an insider's understanding of corporate business strategy, and the impact of a successful workplace.

Clients

Mike has supported partners in the Bay Area technology sector, Los Angeles media and entertainment, as well as established institutions including education, manufacturing, and utilities. Mike led facilities, construction, and real estate sourcing projects for Electronic Arts and Pacific Gas & Electric, and negotiated office leases for Technicolor, Scientific Games, LiveNation, AECOM, Dolby Laboratories, Logitech, First American Title Company, O'Melveny and Myers, and Panera Bread.

Affiliations

CoreNet Global, Northern & Southern California Chapters

Education

Mike received his Bachelor of Business Administration (BBA) in Supply Chain Management from University of San Diego in 2009.
