

Paul Park

Principal Downtown Los Angeles

Professional Experience

Paul Park brings extensive leadership experience to Cresa. As a creative, multi-disciplined real estate executive with an extensive history in global account management, strategic planning and highly effective negotiations, he has consistently ranked among the top Southern California tenant representation professionals. Paul's focus is on Tenant Representation in the Los Angeles Basin, advising clients on occupancy concerns, developing transaction and occupancy strategies and solutions, and managing the entire transaction process for both local and national multi-market corporations.

Clients

Paul has acted as the West Regional or National Account Lead for companies such as Time Warner Cable, Turner Broadcasting (TBS, CNN, Cartoon Network), Aramark Uniform & Career Apparel, SAIC and Fiserv.

Education

Paul received his Bachelor of Arts in Economics and Bachelor of Science in Biology from the University of California, Irvine. While attending the University of California, Irvine, Paul was a member of the golf team for 2 years.
