

Brett Polan

Senior Vice President Downtown Los Angeles

Professional Experience

Brett works closely with office tenants throughout Los Angeles to advise them in the real estate process and ensures their real estate is an asset to accomplishing their business objectives. His ability to develop strategic real estate solutions, attentiveness to detail and understanding of all aspects of a real estate transaction makes him a valuable asset to the Cresa team.

Brett began his career in brokerage at Colliers International where his primary responsibilities included business development, client services and market research.

Clients

Brett has represented companies such as Baldwin Park Unified School District, The LA Auto Show, Fertitta Capital, Ford Models, Cogency Global, Asia Pacific Capital Company, InterEcho, Training Connections, Dakota Communications, Braniff Systems, Gonzales Law Group, Architecture for Education, Taiwan Cooperative Bank, Hua Nan Commercial Bank, The PENTA Building Group, SJ Amoroso Construction, RLI Insurance, Shell Recharge Solutions, Kedren Health, and Brooks Equipment.

Education

Brett graduated from University of Southern California with a bachelors degree in Real Estate Development from the Price School of Public Policy and a minor in Business Finance from the Marshall School of Business.
