

Brian Davies

**Principal
Los Angeles**

Professional Experience

As a Principal of Cresa Los Angeles, Brian is a multi-market transactional specialist in corporate tenant representation, personally overseeing all aspects of client work relative to lease negotiation, financial analysis, site selection, and legal document structure. For over 30 years, he has represented clients in more than 1000 assignments representing in excess of 15 million SF. Brian is well versed in managing multiple requirements throughout the country for his clients, taking full advantage of Cresa's depth of resources and combining Cresa's local expertise with a proven process to afford his clients quality results on a consistent basis.

Clients

Brian has served as the project leader on several large assignments including:

- eHarmony 50,000 SF
- Fandango 97,000 SF
