

Grant La Spada

Vice President
Los Angeles

Professional Experience

Grant La Spada specializes in representing emerging growth companies in the technology and entertainment sectors. Since joining Cresa, he has completed over 1.5 million square feet of lease and sale transactions. He sustains a working partnership with each of his clients that goes beyond the lease commencement date. This approach helps save his clients time and money by managing their corporate real estate needs on a continual basis.

Outside of real estate, Grant has a passion for helping the community, which includes activities such as coaching sports for young children with disabilities, and building ADA ramps for local residents.
