

Jake Cornelius

**Associate
South Florida**

Professional Experience

Specializing in tenant and occupier representation within the Broward County office market, Jake is committed to understanding the unique needs of his clients and delivering tailored solutions for office leasing and purchasing. With a strong work ethic and a genuine passion for building lasting relationships, Jake excels at collaborating with industry experts to provide top-tier service to his clients.

Born and raised in Broward County, Jake brings deep local knowledge of the market with a dynamic perspective. He graduated with a degree in Finance from Florida Gulf Coast University, where he focused on real estate and financial analysis. Outside of work, Jake enjoys spending time with family and friends, staying active, fishing, and continuously learning ways to grow both personally and professionally.

Education

Bachelor in Finance – Gulf Coast University
