

Matthew Lee

Advisor
Transaction Management

Professional Experience

Matthew provides occupier-focused real estate solutions to clients in the office and industrial sectors within the South Florida region. Having interned with Cresa's Miami office during his undergraduate work, along with internships at other esteemed development and institutional real estate firms, Matthew brings fresh and focused insight to our team and clients. Through market research, property analyses and lease negotiations, his strong financial, analytical and transaction management foundation has proven invaluable to gaining and retaining clients.
