

Tim Rivers

Market Leader Florida

Professional Experience

Tim oversees the development and execution of Cresa's market plan, business lines and growth strategies throughout Florida. He is responsible for recruiting, developing and managing talent, team performance and operations, while maintaining impeccable service standards and positioning the firm to lead the market. Tim's integrity and client-oriented character, tactical mindset and business acumen provide a comprehensive platform that clients can entrust with their long-term real estate plans.

Tim has over 25 years of commercial real estate experience, most recently serving as Market Director for JLL, where he oversaw all business lines servicing corporate, occupier, and investor clients within Florida. Prior to that he held the positions of Senior Managing Director of Asset Services at Cushman & Wakefield, Regional Director of Management Services and Managing Director of Brokerage Services at Newmark Grubb Knight Frank, as well as Director of Asset Services at CBRE earlier in his career.
