

Mike McKenna

Senior Vice President New York

Professional Experience

Michael McKenna joined Cresa New York in August of 2011. He brings 22 years of experience representing a broad array of real estate users in the New York metropolitan area.

Mike has completed over 2 million square feet of leasing transactions for financial firms, creative and service companies international corporations as well as entrepreneurs. Mike has also been involved with over 700,000 square feet of acquisitions and specialty financing and is well versed with the structural debt and finance of real estate.

On behalf of his clients over the last few years Mike has been particularly successful in restructuring and recasting lease obligations and is cognizant of the real estate user's need for flexibility in the market place.
