

## Casey Williams

**Advisor**

**Orange County, CA**

### Professional Experience

Casey is an advisor in the Orange County office. He performs market research, strategic planning and financial reporting for occupiers, and guides them through the transaction management process. He and his team work hard to find the right space options for companies looking to expand in the greater OC area.

Prior to Cresa, Casey worked as landlord representative for nearly ten years with boutique commercial real estate firms. He is intimately familiar with the local market and leverages his diverse real estate experience and his genuine enthusiasm for people to deliver quality results.

### Education

Casey received his Bachelor of Arts in business administration from Azusa Pacific University in 2010, and went on to receive a master's degree in business administration from the same university in 2011.

### Personal Interests

Casey is a volunteer search and rescue technician for the Orange County Sheriff's Department.
