

Michael Seaman

**Principal
Orlando**

Professional Experience

Mike began exclusively representing occupiers in Florida in 1992 and has since provided exemplary service to industrial and office tenants, ranging from early-stage to Fortune 50 companies. Mike's practice has been wide-ranging, representing diverse industries all across Florida, with a focus on the Orlando area, the Space Coast, Jacksonville, and Tampa. His unique background, including operations management, M&A and finance experience gives him a unique perspective when working with clients to develop creative and intelligent real estate solutions.
