

Michael Seaman

**Senior Vice President
Orlando**

Professional Experience

Mike began his career in commercial real estate in the early 1990's, representing tenants. He has also worked for developers and investors as well as holding C-Level positions with several companies in which his duties included facilities and real estate. His background gives him a unique perspective and his experience as a broker, owner and tenant of commercial real estate allows him to view the complete picture to provide exemplary service to his clients by understanding their business requirements.
