

Daniel Marques

Vice President, Sales Representative Ottawa

As Vice President of the Ottawa office, Daniel's focus as a tenant advocate is driving the negotiation process to assist his clients in facilitating winning strategies that help achieve their goals. Daniel takes the time to listen and understand his client's objectives and specifications to help facilitate and make proactive and timely real estate decisions to consistently provide excellent results. Daniel has represented companies of all sizes and industries from start-ups to national representations. His expertise includes site selection, strategic planning, market and site analysis and portfolio management.
