

David Barnes

Director, Tenant Advisory
Perth, Western Australia

Professional Experience

David is a shareholder and Director of LPC Cresa's Perth office. With over 25 years total experience in the commercial property industry and 10 years as an occupier representative, he has a deep understanding of the drivers in the property industry.

Throughout his career, David has participated in numerous commercial office and industrial developments in the greater Perth metropolitan area. His key focus areas include occupier strategy, transaction management, premises acquisition and project management liaison. David has become recognized as a respected advisor who clients trust to act in their best interests.
